Epoch

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alterative and Tonic. If you are troubled with any disease of the Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and \$1 per bot the at A. C. Smith & Co.'s drug store.

Declare the Second Semi-Annual

A repetition of last February's successful venture, which worked like a charm and yielded mutual benefits. Nothing more pleasing to us than to sell an odd garment and to see our friends carry off such rare and undisputed bargains with a large rebate. We have adopted a method of clearing them semi-annually by a sacrificial pursuance; for a suit or two here or there amongst our mammoth clothing stock is, like a needle in a haystack, easily lost. Thus, we prefer to gather them in time and plunge the knife into prices deep enough to make them disappear rapidly and advantageously.
